UPCOMING

Dunamis IV November 13-16, 2019
THE HEALING MINISTRY OF JESUS
 Examines Jesus' earthly ministry as our model in praying for all forms of healing: spiritual, inner, relational and physical. Theory and practical application help make this dimension of ministry a reality and equips participants for ministry in their own lives and in the church.

Dunamis V April 15-18, 2020
EQUIPPING FOR SPIRITUAL WARFARE
 Addresses the reality of the demonic realm, personal deliverance ministry, the discernment process, high-level spiritual warfare and kingdom advancement.

Dunamis VI November 18-21, 2020
LISTENING EVANGELISM
 Intentionally connects the power and gifts of the Holy Spirit to the work of evangelism and mission outreach.

A DUNAMIS EVENT IS MORE THAN a conference or course which teaches from a biblical, theological, evangelical, or social justice perspective. While drawing from these important perspectives, Dunamis adds three components which distinguish it from the usual study-leave or conference experience:

1. LAB TIME: where students get to practice what they have just learned through the speaker. Lab time invites the Holy Spirit to work through the students in practical ways. Praying for one another in the power of the Spirit releases a sense of the presence of God and builds the body of Christ. The Holy Spirit apportions the gifts, but builds up the body of Christ as the full range of gifts begins to flow through the participants. Dunamis participants get a taste of what the church might become.

2. DEBRIEF: at the end of the day participants prayerfully pause to ask the Holy Spirit how well we listened and followed during the day. Many report that this is a crucial time of learning to trust the presence of the Holy Spirit, since they find out whether they were getting the same nudges as others.

3. TRACK: over a three year period on a spring/fall schedule the six courses of the track build up the skills and confidence of participants. They have a chance to incorporate the learning and prayers of each course into their Christian life at home, church and work, before taking the next course. Seeing participants from previous courses, among new faces, encourages a safe environment to experiment with a life empowered by the Holy Spirit. Each track offers the introductory Gateways as a make-up course during the track.

DUNAMIS PROJECTS have been running throughout the world since 1991 to exalt Jesus Christ and to equip His people.
