## Introducing Janet Lammers, DFC's new Board Chair

If someone were to ask you to introduce yourself what would you say? You'd probably consider the context, what people want/need to know that is relevant. Having sorted through the first part of the answer, within the context of Dunamis Fellowship Canada, who am I? A good place to start is family facts—like I have been married to Peter Lammers for 34 years, we have 4 grown children, a daughter in law and one grandson.

I have a degree in Sociology and am trained as a prayer counsellor. I have been involved with PRMI and the Dunamis teaching since the mid-nineties. I have attended quite a few Dunamis Projects as well as Growing the Church events over the years. I became involved in the intercessory prayer ministry at the first Dunamis Track in Guelph (1997-8) and since then have been involved in intercession, on the wall and offsite for many events. Prayer really is the passion of my heart.

The Dunamis teaching and practical hands on

experience have not only deepened my call to prayer but also my understanding of the Father's heart for this broken world, and His gift of the Holy Spirit to enable me to walk this out. I have been involved in developing some teaching materials for those becoming involved with and/or leading intercessory prayer, as well as doing some teaching. I joined the DFC board about a year ago, which was not on my radar (apparently it was on God's). It's been a wonderful time of learning and growing in understanding of Dunamis, Fellowship Canada, PRMI, Dunamis Fellowship International and the Lord's call and plan for this ministry and fellowship.

Janet Lammers

I am thankful that we serve a great God who not only came to save us but also equips us to be salt and light in this broken and dark world. As I step into this new role as board chair for DFC I covet your prayer as together we discern God's plans for DFC and His equipping for those plans.

## New Roles for DFC Leaders

Board members from BC, Nova Scotia, Alberta, and Ontario met March 30-31 to pray and discern God's direction for this growing ministry. The board determined that it's time to share the leadership load by separating the roles of Board Chair and Executive Director. Janet Lammers steps into the role of Board Chair, and Barbara Ferrier now serves as Executive Director. Pray for Janet and Barb as they sort out their distinct roles.

## Growing the Church coming to Peterborough, ON—Sept. 25-28

The *Growing the Church in the Power of the Holy Spirit* Conference is foundational in beginning the process of creating a new ethos within the church. So many times pastors and leaders hit their head against the wall with new programs and ideas for growing God's people and growing the number of God's people. In contrast, this conference teaches leaders to listen to where God is moving and joining in that dance with Him. Our prayer is that it will transform your leaders and transform your church as we learn what it really means to "Be still and know that I am God". (Ps 46:10)

Come and join us September 25-28<sup>th</sup> in Peterborough Ontario (brochure enclosed) and experience your next dance step with the Holy Spirit.

Pastor Luke Vanderkamp – Event Director

## God's Heart Revealed at the Power of Prayer Dunamis Project

The "Power of Prayer" Dunamis in Guelph has just concluded and I am amazed at how beautiful is the God and Father of our Lord Jesus Christ! Yes, the teaching by Doug McMurry and Janet Lammers was incredible and the fellowship heart warming. But it's that God chose to favour us with His Presence and release His prophetic voice that still humbles me weeks later!

Like a gentle tsunami the Holy Spirit swept through the room one evening and God prophetically revealed His broken heart for the Church in Canada. Some experienced holy laughter, some just swam in His Presence and a large majority was submerged in His Spirit of Hope as He released in His people's heart a burden to pray for a variety of situations throughout the Canadian Church. For many this Dunamis was a defining moment in their walk with Jesus Christ. One participant wrote "The time here has been profound for me and I am changed by Him forever. The scripture spoken, the teaching, the pictures used have all come together to take me to a place

of surrender, understanding and a new call on my life in this season." Praise God: Father, Son and Holy Spirit for blowing His wind of hope and renewal this past conference!

So why not ask God if He wants you to attend the next Dunamis Project – The Healing Ministry of Jesus Christ, November 6-9, 2017. What might He want to say to you? How might He want to meet with you? See you then!
