# Listening Evangelism in the Power of the Holy Spirit

## Listening Evangelism Dunamis Project VI Dunamis Fellowship Canada

Me do evangelism? How can we overcome our fear of reaching out with the Gospel of Jesus Christ? We lay down ourselves and allow God to do His work through his Holy Spirit at work through us. What does the Bible reveal about our role and God's role in outreach evangelism?

**Listening Evangelism** - is based on listening to the Holy Spirit and stepping out in obedience. This sixth Dunamis Project provides practical teaching on how to share our faith in Jesus Christ led by the Holy Spirit who does the work of leading us in what to say and opens the doors into the hearts of others.

“Go therefore and make disciples of all nations.” (Matt. 28:19) . “You will receive power when the Holy Spirit comes upon you; and you will be my witnesses...” (Acts 1:8)

# Listening Evangelism Dunamis Project VI

The Dunamis Project has three dynamic teaching elements:

- 1) systematic teaching that is biblical
- 2) "lab time" - intentionally moving from theory and teaching into practice
- 3) "debriefing" - rigorously paying attention to what the Holy Spirit is doing in our midst and learning to cooperate with the Holy Spirit.

## WHAT IS DUNAMIS?

Dunamis is the Greek term for "power". The Dunamis Project is a series of six retreats designed to equip clergy and laity in the gifts and power of the Holy Spirit. Dunamis teaching has been forged from the Scriptures and has been proven in ministry. The workshop environment embraces prayer, trust, mutual accountability and a full expression of the spiritual gifts for the advancement of the Kingdom of God.

Seeing participants from previous courses, among new faces, encourages a safe environment to experiment with a life empowered by the Holy Spirit. Each track offers the introductory Gateways as the first course, and then as a make-up course during each segment of the track.
