THE DUNAMIS PROJECT

Dunamis is the Greek term for "power".

"The Dunamis Project"

is a series of six events designed to equip clergy and laity in the gifts and power of the Holy Spirit.

EVENT SERIES

Dunamis IV November 11-14, 2015 ***THE HEALING MINISTRY OF JESUS***

Examines Jesus' earthly ministry as our model in praying for spiritual, inner, relational and physical healing. Theory and practical application help make this dimension of ministry a reality.

Dunamis V April 13-16, 2016 ***EQUIPPING FOR SPIRITUAL WARFARE***

Addresses the reality of the demonic realm, personal deliverance ministry, the discernment process, high-level spiritual warfare and kingdom advancement.

Dunamis VI November 16-19, 2016 ***LISTENING EVANGELISM***

Intentionally connects the power and gifts of the Holy Spirit to the work of evangelism and mission outreach.

A **DUNAMIS EVENT** is more than a conference or course which teaches from a biblical, theological, evangelical, or social justice perspective. While drawing from these important perspectives, Dunamis adds three components which distinguish it from the usual study-leave or conference experience:

1. **LAB TIME:** where students get to practice what they have just learned through the speaker. Lab time invites the Holy Spirit to work through the students in practical ways. Praying for one another in the power of the Spirit releases a sense of the presence of God and builds the body of Christ. The Holy Spirit apportions the gifts, but builds up the body of Christ as the full range of gifts begins to flow through the participants. Dunamis participants get a taste of what the church might become.
2. **DEBRIEF:** at the end of the day participants prayerfully pause to ask the Holy Spirit how well we listened and followed during the day. Many report that this is a crucial time of learning to trust the presence of the Holy Spirit, since they find out whether they were getting the same nudges as others.
3. **TRACK:** over a three year period on a spring/fall schedule the six courses of the track build up the skills and confidence of participants. They have a chance to incorporate the learning and prayers of each course into their Christian life at home, church and work, before taking the next course. Seeing participants from previous courses, among new faces, encourages a safe environment to experiment with a life empowered by the Holy Spirit. Each track offers the introductory Gateways as a make-up course during the track.

The **DUNAMIS PROJECT** has been running tracks in Canada, the United States, the United Kingdom, Haiti, Indonesia, Japan, Nicaragua, Nigeria, Panama, Taiwan, Uganda, and other countries, to exalt Jesus Christ and to equip His people.
