Equipping for Spiritual Warfare

Equipping for Spiritual Warfare Project V Dunamis Fellowship Canada

Are we really in some kind of spiritual warfare? What does the Bible reveal about our role and God's role in the struggle against the world, the flesh and the devil?

The truth is, when we engage in the work of kingdom advancement for the glory of Jesus Christ, we are in direct conflict with the work and agenda of the kingdom of Satan. If we are to see the "captives set free," if we are to remain obedient to the work of Christ, and if we are to walk deeper and more faithfully with our Lord and Savior, then we must know how to rely on his authority and power when confronted with the reality of evil.

This fifth Dunamis Project addresses the reality of the demonic realm, personal deliverance ministry, the discernment process, spiritual mapping, spiritual warfare and evangelism.

Equipping for Spiritual Warfare Project V

The Dunamis Project has three dynamic teaching elements:

- 1) systematic teaching that is biblical
- 2) "lab time" - intentionally moving from theory and teaching into practice
- 3) "debriefing" - rigorously paying attention to what the Holy Spirit is doing in our midst and learning to cooperate with the Holy Spirit.

WHAT IS DUNAMIS?

Dunamis is the Greek term for "power". The Dunamis Project is a series of six retreats designed to equip clergy and laity in the gifts and power of the Holy Spirit. Dunamis teaching has been forged from the Scriptures and has been proven in ministry. The workshop environment embraces prayer, trust, mutual accountability and a full expression of the spiritual gifts for the advancement of the Kingdom of God.

Life giving worship, Christ centered Biblical teaching, practical experiential learning. Building intimacy with God

The Dunamis Track: over a three-year period the six courses of the track build up the skills and confidence of participants. They have a chance to incorporate the learning and prayers of each course into their Christian life at home and church, before taking the next course. Seeing participants from previous courses, among new faces, encourages a safe environment to experiment with a life empowered by the Holy Spirit. Each track offers the introductory Gateways as the first course, and then as a make-up course during each segment of the track.
