Growing the Church and Advancing the Kingdom of Jesus Christ

September 2013

News and Announcements

Youth and Young Adult Ministries Growing! Josh Modrzynski, Coordinator for Youth and Young Adults, is excited! The total attendance at this year's *Upward Challenges* was the largest ever. And *Arise* for young adults jumped from 14 last year to 40 this year!

"As exciting as it has been to see these young people come through these programs this summer, it is infinitely more exciting to see them go out into their communities empowered by the Holy Spirit to change the world!"

PRMI Summer Board Meeting—over the Internet. Overcoming the limitations of space and time, we held the August PRMI Board meeting online. The Holy Spirit led us as we prayed together, presented and heard reports, and discussed important issues—even spread across 8 time zones.

A New Roof. The log house at the COC is getting a new roof—an answer to prayer. Finally, it stopped raining outside! Thank you for your gifts that made this possible.

5 Keys for Growing Younger Generations as Disciples of Jesus Christ

By Brad Long

My father, who is 90 and a grandfather and great-grandfather, asked me a question that should be of urgent concern for the Church: **"How do we bring young people to faith in Jesus Christ?"** My answer is to look at PRMI's youth events where this is happening: ***Upward Challenge, With the Wind, and Arise.***

The Rev. Laura Long brought four young men to *Upward Challenge* at the Community of the Cross in July. Laura reports, "The last night was amazing! The Holy Spirit fell. Many were so overcome by the Spirit's power and presence that they rested on the floor.

Young people were receiving the gifts of the Spirit and being empowered for witness. Many made commitments to following Jesus Christ. Jesus was moving to bring inner healing. These

young people experienced Jesus and His Word as real!"

We build into PRMI youth events five dynamics—components conducive for an environment in which youth can receive Jesus as Savior and Lord. These keys form the biblical basis for effective evangelistic and discipling ministry.

1. Experience the love of God the Father (John 3:16)
2. Preach the Word of God (Rom. 10:17)
3. Welcome the Holy Spirit (Rom 15:18 – 19)
4. Extend invitations to receive Jesus as Savior and Lord (John 1:12-13)
5. Invite youth to receive prayer to be baptized or filled with the Holy Spirit for power (Acts 1:8)

Renewing the Legacy of R.A. Torrey

August 23-24th, 200 people gathered at Montrose Bible Conference, the site of revivals from 1908 to 1920. We experienced an outpouring of the Holy Spirit restoring the two biblical themes of R.A. Torrey's ministry: the power of prayer and the power of the Holy Spirit for witnessing to Jesus Christ. Both direct and spiritual descendants of Torrey formed the leadership team.

Peyton Johnson, Brad Long, and Cindy Stickler taught and Pierce Johnson, Lou Pressman, and Christian Zebley gave testimonies. The afternoon included prayer for empowerment and later many gathered on "Tabernacle Hill" for prayers for revival.

Praying In the Spirit Together

Fall is packed with Dunamis Projects, Ignites for Congregations, Mission Trips, and Growing the Church Conferences. Pray that each event will be filled with the presence of Jesus Christ and directed by the Holy Spirit to have a part in the advancement of the Kingdom of God. Also, pray for the Dunamis Institute Faculty who provide the teaching and leadership.

We have over 300 people receiving online updates via *Discerning the Times*, doing the work of intercessory prayer. With the turmoil in the Middle East, persecution of Christians by Muslims, major challenges facing the Church in the USA, Canada, and UK, this work of high level intercession and spiritual warfare is strategic for the advancement the Kingdom of God. Please pray for protection and guidance for this group.

Sign up for regular updates by email at www.primi.org and see how you may be called to take part in this great work of advancing the Gospel. You CAN make a difference!
