GATEWAYS TO EMPOWERED MINISTRY: THE PERSON AND WORK OF THE HOLY SPIRIT

April 4-7, 2016

THE EVENT SERIES

Dunamis I April 4-7, 2016

GATEWAYS TO EMPOWERED MINISTRY

"Gateways" teaching is helpful for understanding the rest of the events. The first retreat in the Dunamis series focuses on worldview, spiritual reality, and the nature and work of the Holy Spirit. We study the nature of the Spirit's power and pray for the infilling with the Holy Spirit.

Dunamis II November 7-10, 2016
IN THE SPIRIT'S POWER

Explores cooperating with the Holy Spirit, cultivating listening and discernment skills, plus spiritual gifts and manifestations of the Holy Spirit.

Dunamis III April 24-27, 2017
THE POWER OF PRAYER

Emphasizes growing in intimacy with Jesus Christ through prayer. Topics include learning to listen to God, intercessory prayer and revival, and praying with vision and power.

Dunamis IV November 6-9, 2017
THE HEALING MINISTRY OF JESUS

Examines Jesus' earthly ministry as our model in praying for spiritual, inner, relational and physical healing. Theory and practical application help make this dimension of ministry a reality.

Dunamis V April 9-12, 2018
EQUIPPING FOR SPIRITUAL WARFARE

Addresses the reality of the demonic realm, personal deliverance ministry, the discernment process, high-level spiritual warfare and kingdom advancement.

Dunamis VI November 5-8, 2018
LISTENING EVANGELISM

Intentionally connects the power and gifts of the Holy Spirit to the work of evangelism and mission outreach.

A DUNAMIS EVENT IS MORE THAN a conference or course which teaches from a biblical, theological, evangelical, or social justice perspective. While drawing from these important perspectives, Dunamis adds three components which distinguish it from the usual study-leave or conference experience:

1. LAB TIME: where students get to practice what they have just learned through the speaker. Lab time invites the Holy Spirit to work through the students in practical ways. Praying for one another in the power of the Spirit releases a sense of the presence of God and builds the body of Christ. The Holy Spirit apportions the gifts, but builds up the body of Christ as the full range of gifts begins to flow through the participants. Dunamis participants get a taste of what the church might become.

2. DEBRIEF: at the end of the day participants prayerfully pause to ask the Holy Spirit how well we listened and followed during the day. Many report that this is a crucial time of learning to trust the presence of the Holy Spirit, since they find out whether they were getting the same nudges as others.

3. TRACK: over a three year period on a spring/fall schedule the six courses of the track build up the skills and confidence of participants. They have a chance to incorporate the learning and prayers of each course into their Christian life at home, church and work, before taking the next course. Seeing participants from previous courses, among new faces, encourages a safe environment to experiment with a life empowered by the Holy Spirit. Each track offers the introductory Gateways as a make-up course during the track.

DUNAMIS PROJECTS have been running throughout the world since 1991 to exalt Jesus Christ and to equip His people.
