2010 Dunamis Fellowship International and Canada's Annual Conferences

Over 140 **Dunamis Fellowship International** members from around the world gathered January 20 – 24 2010 for the annual meeting of the Fellowship. It was a time of worship, sharing, teaching and praying. It was a great pleasure to meet nine pastors from the Indonesia Reformed Church where over 700 pastors experience the Dunamis Project. Their Synod has made the Dunamis Project a requirement course for pastors. Praise God Dunamis is impacting their ministry. Some pastor up to 5000 members and have witnessed many healings since taking the Dunamis course. The outpouring of the Holy Spirit is truly making an impact around the world.

DFC extends an invitation to our **Annual Conference, May 2nd, 2010** at 8:30 am in Guelph at Kortright Presbyterian Church. Please feel free to invite others to attend as we explore together "A Touch of God". We will be hearing about what it means to have faith, what it means to be touched by God and what does giving and receiving healing look like. There will also be time for group and personal prayer ministry. Please see the attached brochure

Our Ten Year Plan

PRMI is entering into a new decade of discerning God's will and intentions for their ministry. The previous decade has seen much fulfillment in developing many initial plans at the start of those ten years. Four areas of ministry were developed consisting of Leadership Development, Congregational Renewal, Prayer and Missions. The Dunamis Fellowship International grew to over 500 members and the Community of the Cross was purchased and built.

PRMI now invites us into a discernment process of 'going up the mountain' and asking the Lord to speak into the next ten years of ministry. Many people have been called to participate in this process. If you feel led to join, or receive guidance, please pass it on to us. In the meantime, we greatly appreciate your prayers to uphold DFC and the other Dunamis Fellowships around the world.

Ontario Project III

We continue the Dunamis Project with 'The Power of Prayer' in Guelph on March 24 to 28, 2010. In this course we emphasize growing in relationship with Jesus Christ through prayer. Topics include learning to listen to God, intercessory prayer and revival, and praying with vision and power. The teaching is forged from the Scriptures with a reformed perspective. Mary Ellen Connors, the prayer coordinator for PRMI, will join speakers Rev. Cindy Strickler and Rev. Brad Long. They are a great, funny, dynamic team and we can expect the Holy Spirit to be present and active, probably with a sense of humor, to keep us on our toes. There is a makeup *Gateways* session for those who missing the first event last March.

The project events are immersion events; it's a chance to learn experientially to cooperate with the Holy Spirit; this practice will bring confidence and helps develop us for leading others at our home churches. This is also a way to become close to people from other churches. We can network, share experiences and become better at bringing others close to the Holy Spirit.

Invite your friends. The Dunamis project equips pastors and lay leaders for teaching in their home churches. Therefore we are conducting Facilitator training to enable you to lead the DVD course in your home church. I hope that is everyone who attends so that all our churches become Spirit filled. I invite you to come but if you can't please let others know so that your church will have leaders with experiences in cooperating with the Holy Spirit.

Here's what some people are saying about the Dunamis project:

Expect an incredibly safe and caring experience where you learn sound Bible teaching about the Holy Spirit. It was a gift to be able to attend. GM

Dunamis is: A non-invasive, safe study of the Holy Spirit. It is rich with God's truths. Very powerful. You will find that, like a bud, the flower opens and it is not you but the Holy Spirit's doing. LK
